We're switching up the game this time! Instead of Bunco, we're co-hosting a "Left Center Right" Game Night with The Support Network of Madison. It's a super simple dice game with absolutely NO skill or knowledge required. So come solo or bring some friends! There will be plenty of wine, snacks and of course prizes!

All proceeds from this event will go towards The Support Network's free summer programming, including Farmers Market activities and funding our community pool scholarships.

To register for this event, please sign up at <https://thursdaymorningclub.org/event/left-center-right-game-night/> or <https://www.supportnetworkofmadison.org/events> or complete the form below and return with payment to PO Box 345, Madison, NJ 07940
