WELCOME TO THE MADISON BASCC PROGRAM

(Before and After School Child Care)

PURPOSE: The purpose of this program is to support the parents of children attending the elementary schools in this Borough by providing quality childcare beyond the normal school hours. The goal will be to provide well-planned, flexible activities, consistent with school and home environment, conducive to creative play, respectful interaction among the children, and independent study. The program will be operating on a not-for-profit basis.

ADMISSION POLICY: The program is open to ALL children enrolled in the elementary school in the Borough of Madison. Students may use the program on a “Regular Weekly Basis”, one to five days per week AM and/or PM, every week, or on an “Occasional Use Basis” – day to day on an irregular basis. Drop-ins will be accommodated if space allows.

LICENSING: The program is licensed as a School Age Child Care Center by the State of New Jersey, Department of Human Services, Department of Children and Families.

ADMINISTRATION: The program is sponsored and administered by the Thursday Morning Club/Madison Community House. The Madison Community House Board of Directors, which has eight (8) members, is the administering body with the Chairman acting as representative and spokesperson for the group. The Board is accountable for the development and overall operation of the program and for ensuring compliance with all applicable provisions of the Manual of Requirements for Child Care Centers of the State of New Jersey. The Thursday Morning Club / Madison Community House does not discriminate and prohibits discrimination, as required by state and/or federal law, in all programs and activities, including employment and access to programs.

SUPERVISION: The program is staffed by qualified, caring personnel who have the educational background and/or related work experience required by the State of New Jersey. The Program Supervisor and Child Care Staff will be present at all times. A Staff/Child ratio of 1:12 will be maintained. This exceeds the state requirement of 1:15 for School Age programs. Program Supervisors/Child Care Directors, Child Care Aides; and Junior Child Care Aides will be hired. We will seek to involve volunteers from our own club members who will supplement the Staff/Child ratio of 1:12.

VISITORS AND OBSERVATIONS

1. Parents are welcome to observe the Program at any time.
2. For liability and supervision reasons, visiting children may not participate in activities.

ABSENCES

1. It is extremely important that the parent/guardian contact the cell phone of your child's school to report that he/she will not be attending on his/her scheduled day either the AM or PM session for whatever reason. This will eliminate any unnecessary confusion and anxiety for the staff. **CAS** – 973-722-9331, centralbascc@gmail.com, **KRS** – 973-722-9332, kingsbascc@gmail.com **TJS** – 973-722-9333, toreyjbascc@gmail.com
2. We are responsible for the whereabouts of your child if he/she is scheduled to attend the Program. If a child is missing, a search begins to locate that child. This is critical and time consuming. Consistent failure to notify the Program Supervisor that your child will not be attending on his/her scheduled day may result in termination of childcare service.
3. There is a \$30.00 charge for not calling and either leaving a message or speaking with the BASCC staff at your child's school site. Please see phone #'s listed in # 1 above.

WITHDRAWAL FROM THE PROGRAM

1. Parents wishing to withdraw their child from the Program must provide a written letter 15 days prior to the discontinuation of this service.
2. Tuition will be due for the balance of the month or ½ month; whichever amount is greater.

HEALTH AND SAFETY

1. If a child has any one of the following conditions, the parent will be notified to pick up the child immediately: Contagious Disease, Fever over 100° F, Vomiting, Diarrhea or Accident requiring medical attention.
2. In case of accident or illness, parents of the child will be called immediately. In serious cases, Emergency Medical Help will be summoned and, if necessary, the child will be taken to a local hospital for treatment. The parent will be called as soon as possible. At no time will an injured child be left unattended. A staff member will stay with the child until the parent arrives.
3. All necessary illness, accident or incident reports must be filled out, given to parent/guardian, signed by parent/guardian, and signed by the attending staff member. A copy will be given to the parent/guardian and a copy will be kept on file at the BASCC Office.
4. If a child has a known medical condition, proper forms, medications and instruction for its application must be given to staff members. These medications will be used should an emergency occur during Program hours.
5. We do not employ the services of a registered nurse; therefore, staff members will not dispense medications to any child in our Program (except in an emergency as above). All staff members will be trained in basic first aid; CPR and observation of the health needs of children and will be able to react to health emergencies.
6. Should anyone appear on the premises with a firearm, the emergency number 911 will be called and children will be taken out of danger and given aid.
7. Staff members are to make every effort to keep a child from getting into a car with a parent under the influence of drugs or alcohol. Staff members will call the police to give the child and parent a ride home. Staff members will not, under any circumstances, give transportation to a parent who appears to be impaired by drugs or alcohol.
8. The Program's license requires staff members to report suspected cases of child abuse. This includes the reporting of parents who appear to be impaired by drugs and alcohol.

INSURANCE

1. The Program carries minimal liability insurance, but has no financial resources of its own. Families are encouraged to provide their own insurance coverage. Many families are covered by the parent's policy at work, and/or their own private policies. Public school students may sign up for accident insurance through their school office in the fall of each year.

CHECK IN PROCEDURE

1. For the AM session, **Parents are to bring their children into the Center, sign in and check in with the Program Supervisor.** At 8:30 AM, the child will report to his/her classroom or if requested by parent, be escorted to his/her class by a Child Care Staff Member.
2. For after school sessions, the child will report directly to the multi-purpose room (or designated area) where attendance will be taken immediately each day. In the event that a child who is expected does not arrive, his presence at school will be verified with the school office, then a search of his classroom, outdoors and parking lot will ensue and the necessary phone calls will be made until his whereabouts are confirmed. If unable to confirm his whereabouts, local authorities will be called.

PICK UP PROCEDURE / RELEASE OF CHILDREN

1. Children are released **only** to the child's custodial parent or person authorized by the custodial parent to take the child from the center and to assume responsibility of that child. That person's name **must** be on the Registration Form under "Authorized Pick Up List" **and should be prepared to show 2 forms of PROPER IDENTIFICATION.** No child will be released from the program without written instruction from the parent or legal guardian.
2. The child must be **Signed-Out** before leaving the Program. A sign-out sheet will be available for that purpose. The child will wait in the building. The child may not wait outside.
3. In order to comply with State License staffing requirements, once a child is signed out of the program, they cannot return on that same day. Also, if a child is absent from school or leaves school early for any reason, they are not permitted to attend the program on that day.
4. **LATE PICK-UPS AND FINES** – All children must be picked up no later than 6:15 PM. Chronic lateness is grounds for cancellation of childcare as it is a major imposition of the Child Care Staff and their families. There will be a \$30.00 fee charged for late pickups.
5. In the event that a child has not been picked up at closing time, the staff member will attempt to reach the parent/guardian, using all available phone numbers including emergency contact people. By one hour after closing, if no contact and/or arrangements have been made, the center will call 877-NJ-Abuse in seeking assistance for caring for the child.
6. If a particular non-custodial parent has been denied access, or granted limited access, to the child by a court order, the Program will secure documentation to this effect, maintain a copy on file, and comply with the terms of the court order.
7. The child may attend extracurricular activities on the school premise if the parent/guardian makes proper arrangements with the Program Supervisor. Child must check in with the BASCC program prior to going to their activity and we will bring them to their activity. Once a child is signed out and/or leaves the school grounds, they are not permitted back in the program on that day.
8. If the parent(s) or person(s) authorized by the parent(s) appears too physically and/or emotionally impaired to the extent that, in the judgment of the director and/or staff member, the child would be placed at risk of harm if released to such an individual, the center shall ensure that:
 1. The child may not be released to such an impaired individual
 2. Staff members attempt to contact the child's other parent or alternative person(s) authorized by the parent(s); and
 3. If the center is unable to make alternative arrangements, a staff member shall call the Division's 24 hour Child Abuse Hotline (1-877-652-2873) to seek assistance in caring for the child.

The monthly tuition fee is payable on or before **the 15th day** of the month **PRIOR** to childcare services. No notice of payment due will be sent.
4. Tuition includes 184 school days; any scheduled half days and any make up snow days. There is a separate program and tuition for school vacation weeks.

AM = \$30.00	PM = \$55.00	Half Days = \$75.00

IMMEDIATE CAUSES FOR EXPULSION

No Bullying/Harassment

ALL students have the right to feel safe and included at school so they can thrive academically and socially regardless of race, gender, religion, ability, national origin, sexual orientation, gender identity, or any other perceived differences. Harassing, bullying, taunting, teasing, or physically harming a student or staff member or a person's property is unacceptable by our community agreements and prohibited.

Any student who is found to bully, harass, or otherwise intentionally harm others will meet with the BASCC program Director and by the discretion of the Director, with the Principal as well. The student's parents and teachers may also be involved in person or by phone. Consequences for bullying, harassing, taunting or teasing others can be varied by incident and may include verbal or written apology, loss of privileges, behavior contracts, removal from an activity or suspension from the program.

Defining Bullying:

Bullying is a special form of aggressive behavior. Dan Olweus, an world authority on bullying and bullying behavior defines it this way: "A person is being bullied when he or she is exposed, repeatedly and over time, to negative actions on the part of one or more other persons." What differentiates bullying from other aggressive acts is that the student who bullies intends to harm, there is more than one incident, and an imbalance of power makes it hard for the child who's being bullied to defend him/herself. This difference in power can be physical—the child who bullies can be older, bigger, stronger; or several children can gang up on a single child. It can also be psychological, which is harder to see but just as potent—the student who bullies can have more social status or a sharper tongue, for instance. (Rigby, 2001b).

Verbal bullying includes name-calling, insulting, intimidating, mocking, threatening, and making racist, sexist, or sexual comments. Different from taunting, teasing in severity only. When does teasing cross the line and turn into bullying? The answer often lies in perspective of the person being teased or bullied.

Physical bullying includes a variety of behaviors such as hitting, kicking, shoving, and taking or destroying property.

Relational bullying uses relationships to control or harm another person, excluding her from the group or events, talking behind his back, spreading rumors, telling lies about her, giving him the silent treatment, etc.

Harassment covers a wide range of behaviors of an offensive nature. It is commonly understood as behavior which disturbs or upsets, and it is characteristically repetitive and unwanted. In the legal sense, it is behavior which appears to be threatening or disturbing.

Sexual harassment is any unwelcome sexual behavior, including words or actions, unwanted attention, advances, or offers of/for a sexual nature.

It is critically important for our students to communicate with adults in the building when there are issues or concerns. For interactions of concern, please speak with an adult – we are here to support students!

Our center must post a listing or diagram of those rooms and areas approved by the OOL for the children's use. Please talk to us if you have any questions about the center's space.

Our center must offer parents of enrolled children ample opportunity to assist the center in complying with licensing requirements; and to participate in and observe the activities of the center. Parents wishing to participate in the activities or operations of the center should discuss their interest with the center director, who can advise them of what opportunities are available.

Parents of enrolled/children may visit our center at any time without having to secure prior approval from the director or any staff member. Please feel free to do so when you can. Reportable and Communicable Diseases

What is a reportable disease?

A reportable disease is an illness that the Department of Health wants to know about to keep others from catching it. If a staff member of an enrolled child has a reportable disease, you must call the local health department and the Bureau of Licensing by the next working day.

What diseases must be reported?

The following reportable diseases are commonly seen in children:

German Measles	Whooping Cough
Hemophilus Influenzae	Giardia Lamblia
Measles	Hepatitis A
Meningococcus	Salmonella
Mumps	Shigella
Tuberculosis	

A complete list of reportable diseases, including diseases rarely seen in children, is on the previous page.

What is a communicable disease?

A communicable disease is an illness that can be caught from other people.

All of the reportable diseases listed above are communicable. Other communicable diseases commonly seen in children are:

Chicken Pox	Lice
Strep Throat	Scabies
Impetigo	

You do **NOT** have to report the diseases on the list directly above, but staff members or children with untreated cases of these diseases should not be at the center until they are no longer contagious. A doctor can tell you if someone has one of these diseases and if the person is contagious.
